

SINCE 1967

*Amphibious UTV*

# The Ultimate Heavy-Duty Tracked Vehicle for Exploration and Mining

**NEW!**  
**Argo 8x8**  
**XTI**

**High Operator Safety**

**BUILT TO BE TOUGH!**

**EXTREME OFF-ROAD PERFORMANCE**

# • LOW COST OF OWNERSHIP • DURABILITY • VERSATILITY

## ROPS, ROOF & LIGHT BAR

Certified ROPS for two or four passengers available with hard top for sun/rain protection and a light bar to add auxiliary lighting.

## BRUSHGUARD & WINCH

Heavy-duty three-piece front mount brushguard with added protection for head light and body 4000 lbs WARN winch with 30 foot tow strap, snatch block, mounting plates and winch guard.

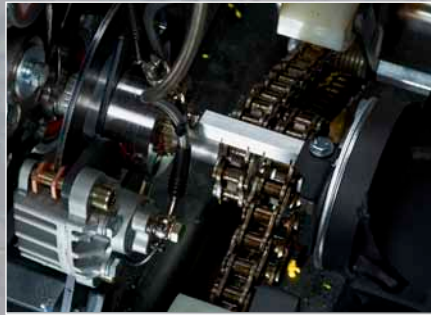

## DRIVING COMFORT

Direct drive, triple differential ADMIRAL steering transmission, a multi-position handlebar steering and ample leg room.

## HEAVY DUTY TRACKS

18" rubber tracks with heavy duty steel guides on 24" 8-ply tires and reinforced rims. Optional cleats for increased traction in soft terrain are available.

## AUTOMATED CHAIN LUBRICATION

Innovative system featuring reduced maintenance requirements and longer chain life.

## FLAT BED

Optional, easily removable flatbed with access panel to storage area. Custom cargo configurations can be created by adding stake or hinged side panels and tailgate.

## FULLY AMPHIBIOUS WITHOUT VEHICLE PREPARATION

With its sealed lower body, the ARGO XTI is designed to float on bodies of water and flooded areas and transport up to 4 passengers (total load capacity of 1,000 lbs / 454 kg). The specially designed ARGO tires propel the XTI through water at a speed of 3 mph.\*

## SAFETY & STABILITY

The low center of gravity, lightweight design and full-time eight-wheel drive provide sure-footed traction and maneuverability through demanding weather and terrain conditions.

**Safety!**  
...always in Season!

## LOW GROUND PRESSURE

Fully tracked vehicles provide a light footprint on sensitive terrain. Ideal for areas with tailings and mine waste. Great performance in muskeg and peat. Ground pressure as low as 1 PSI can be achieved.

treadlightly!  
ON LAND AND WATER

## CUSTOM COATINGS

In addition to textured black and chrome coating, other options such as zinc rich primer, acid and alkali resistant coatings as well as clear coats are available for added protection from rust, acid and saltwater.
