

# **EXTREME** Terrain Vehicles for Insect & Weed Control

*Amphibious UTV*

Mozzie Foggers & Applicators

## **Eco-Friendly & Versatile**

- Large, deep, flexible cargo area
- Durable and dependable
- Simple and easy maintenance
- All season operation

### **APPLICATIONS**

- Mosquito Abatement
- Vector & Pest Control
- Sand Fly Reduction
- Efficient Weed Control
- Environmental Studies
- People & Equipment Transport
- Support Vehicle
- Remote Towing

### **FEATURES & CAPABILITIES**

- Very Low Ground Pressure
- Operates in Flooded Areas
- Crosses Deep Mud and Marshy Terrain
- Fully Amphibious\*
- Up to 6 Passengers\*
- High Altitude Performance
- Overcomes Obstacles
- Hauls Trailers and Supplies

\* ARGO models only. Does not apply to CENTAUR 8x8.

**Optional Tracks**

**Sand Fly Prevention**

**Salt Water Resistant**

**Low Ground Pressure**

**Customized Sprayers**

**Fully Amphibious**

**Mozzie Larvicide Applicators**

The CENTAUR is not fully amphibious, but can cross water with a fording depth of 26" (660 mm). Some vehicle applications shown are for demonstration purposes, originating from third parties and not available from ARGO. In all cases vehicle load limits have been considered. For safety, always wear helmets and eye protection. When operating in water, always wear approved Personal Floatation Devices. Always remain seated while in the ARGO.
